**Member Agreement:** I would like to become a member of Pine Grove Pastures' CSA program. As a CSA member, I understand that I share in the bounty as well as the risks that accompany farming. I understand that the farm plants and harvests with my share in mind. I understand Pine Grove Pastures' CSA membership is a season long commitment. If I can't finish out the season as a member, I am still financially responsible for my share. **I agree to commit to picking up my CSA share on my designated day and times, every week.** I understand that if I don't pick up my share, it will be donated if prior arrangements with the farm are not made. Finally, I understand that email is the primary mode of communication throughout the season, and therefore I agree to read email communication and newsletters for important CSA updates.
